Barbra Wasiwo

Software-Engineer at ALX| Front-end developer|| Web developer at SheCodes

Cape Town, Western Cape, South Africa

Summary

I am a passionate web designer and frontend developer dedicated to creating visually appealing and user-friendly websites. I hold two certifications from SheCodes as a Web Developer and I'm currently continuing my studies with SheCodes to further specialize in frontend development. In addition, I am pursuing further education with ALX, aiming to deepen my expertise and fully specialize in frontend development.

With a strong foundation in design principles and a keen eye for detail, I strive to bring innovative and effective solutions to every project I work on. I am always eager to learn and grow in my field, constantly exploring new technologies and best practices to enhance my skill set.
